Seven witnesses, including two surviving drivers, testified Thursday afternoon at a coroner's inquest at the court house into the August 8 traffic death of Mrs. Ella Rorrer, near Bonneauville, but the jury was unable to fix definite blame for the death.

Finding that Mrs. Rorrer, who was 42 and a resident of Hanover R. 1, died as a result of the collision between her motorcycle and the car of Merle Lloyd Hankey, 36, Gettysburg R. 2, S. Washington St. grocer, the jury wrote:

"We believe Hankey attempted to turn across the highway when the turn could not be made safely. There is no evidence that Mrs. Rorrer reduced her speed as she approached the scene and she may not have been exercising proper caution."

**No Drinking Involved**  
Witnesses had testified that there was nothing to indicate that Mrs. Rorrer had applied her brakes or swerved before she struck the left front of the Hankey car as Hankey turned left toward the picnic grove east of Bonneauville where the Gettysburg Eagles were holding an outing that day.

Mrs. Rorrer was killed instantly. Her chest was crushed, her skull fractured and a leg was broken.

No drinking was involved on the part of any of the drivers, according to testimony. Rorrer said that neither he nor his wife had anything to drink that day or the night before. Hankey said he had no alcoholic drinks that day.

## 7,500 Set Weekday Record At South Mountain Fair; Expect Horse Show Throng Saturday

The South Mountain Fair reached a week-day peak Thursday night, with an estimated 7,500 visiting the fair during the day and most of them remained throughout the evening.

Veteran fairgoers said the scene reminded them of "Saturdays at the Fair" rather than a Thursday night. Visitors frequently found it difficult to move about as crowds jammed before exhibits and filled to overflowing the aisles between exhibits.

Perfect fair weather was credited with helping to swell the attendance. So great was the crowd that the parking lot workers found difficulty about 9 o'clock Thursday night in locating space for additional cars to park.

In spite of cloudy skies today the fairgrounds were filling again this afternoon and another big crowd is expected Saturday when the annual horse show will attract extra throngs for that popular fair feature.

### State CD Director There

The fair itself seemed to put on its best performance Thursday night. The Civil Defense exhibit which has been attracting much attention, put on the best display so far, with the events at the CD tent

## Serves Uncle Sam 37 Years Without Taking Sick Leave

Edgar R. Lower, formerly of Biglerville, has been commended for having taken no sick leave in the more than 37 years that he has worked for the federal government.

Lower, who now resides in Savanna, Ill., has been working at the Savanna Ordnance Depot of the U. S. Army since June, 1919, and before that he spent two years on active duty with the army.

He is thought to be the only U. S. Civil Service employee to accumulate as much as 125 days of sick leave credit. In a surprise ceremony in the office of his commanding officer, Col. L. A. Burbank, Mr. Lower received his commendation and

Lower said, "It would be financially impossible for any United States Civil Service employee to pay for a sufficiently large insurance policy to guarantee an income the equivalent of the amount due this employee in his sick leave account. . . I hope that I will always maintain good health but if misfortune does befall me, I want all the sick leave possible so that my illness will not be aggravated by financial worries from lack of income."

Lower was born in Biglerville on March 2, 1894. He graduated from Shippensburg State Teachers College in 1915, and served for two years as superintendent of schools in West Fairview, Pa. He enlisted in the army in July, 1917, and after six years of active duty, was separated as a colonel in the Ordnance Corps. ## W. E. BIERLY IS LODGED IN JAIL

Willis E. Bierly, of Fairfield, is being held for court on four charges, following a preliminary hearing Thursday afternoon before Justice of the Peace Robert P. Snyder. Bierly has been lodged in the county jail in default of \$1,500 bail.

Bierly was charged with surety of the peace and desertion and non-support on information provided by his wife, Eileen Bierly, of 22 York St. Borough police charged him with loitering and prowling, and malicious mischief. He pleaded guilty to the second count and, after the hearing, signed a plea of guilty to the first.

Mrs. Bierly stated that on Wednesday evening he came to her apartment, which was not his residence, and was denied access. He then broke down the door, entered, and threatened her life. After leaving her apartment, it is alleged, he loitered "unlawfully" in the area.

Mrs. Bierly alleges that the two have lived apart since last June, and that he has not contributed properly to the support of herself and their two children. Bierly waived a hearing on this count, and he will be brought before the desertion and nonsupport court on September 20.

## COMMISSIONERS START APPEALS; KARL J. SMITH NEW PRESIDENT

Karl J. Smith, McSherrystown, was elected chairman of the Adams County Board of Commissioners this morning immediately before the commissioners began hearing the first of some 600 appeals from assessments to be heard during the month.

Smith was named to fill the vacancy caused by the death of Clark L. Fetters of Menallen Twp. J. Blaine Bushey, retired Ardenstville school teacher and farmer, appointed last Saturday by the county court to fill the vacancy caused by Mr. Fetters' death in the board of commissioners, was named as vice chairman.

Hearing of 16 assessment appeals began at 8 o'clock with the only two from Abbottstown scheduled for that time. Robert Berkheimer, assessor for Abbottstown, and Chief Assessor William G. Weaver were present for the hearings.

### First Two Unchanged

Della N. Butt, whose property was assessed at \$1,000, and E. F. Hoffman, whose property was assessed at \$2,000, were the appellants. During the hearings the opinions of the assessors as to worth of their properties was checked against the record in the office of the county assessor, and the opinion of the assessor. Following the hearings both assessments were continued at the original figures of \$1,000 and \$2,000.

Thirteen Ardenstville appeals were partially heard. The information was received from the appellants. With Mrs. Rosalie Raffensperger, the assessor, unable to be present because of attendance at a funeral, the commissioners postponed final action until Mrs. Raffensperger can be queried on the values of the properties.

The appeals moved along more swiftly than the "one every 15 minutes" schedule that had been set up originally. In most cases misunderstandings seemed the basis for appeals.

### Explain "Big Jump"

Several of those from Ardenstville were curious concerning the "big jump" that occurred in that borough. Mrs. Roland Orner was among several who mentioned the "big jump" as seeming too much, based on previous experience of increases of a few hundred per year. The assessment on their home had been "practically doubled." Mr. and Mrs. Orner however said their property cost about \$11,000 to build. The actual valuation placed by the assessment was \$9,500 with one-fourth that being the assessed valuation.

The commissioners explained that Ardenstville's "big jump" came because the town had been assessed at only 16 per cent of actual valuation before, and the increase to 25 per cent did cause a "big hop" in (Continued on Page 2)

## May Leone Entertains 2,000 People At Dinner Every Night

By DOROTHY ROE  
Associated Press Women's Editor

May Leone entertains 2,000 people at dinner every night and likes it.

Her working day starts at noon and ends after midnight, six days a week.

Her home is a half-acre of the most expensive real estate in the world, right in the middle of New York's neon-lighted Broadway belt. She could afford to live the pampered existence of a Park Avenue matron, lifting a finger only to summon a servant, but she prefers to work 14 hours a day. The reason?

**Husband Is Owner**  
"If I didn't, I'd never see my husband," she says.

May is married to Gene Leone, owner of one of the most famous Italian restaurants in New York, where the great and the near-great of Broadway and the world have gathered in the interests of good food and wine for almost 50 years. Gene learned the artistry of cooking from his mother, Luisa, who founded the restaurant in 1906, and pursues the creation of a sauce or a soufflé with the passionate dedication of a high priest.

Gene personally supervises his vast kitchens, checks every item on the lengthy menu, mixes every sauce with his own hands.

**Has Big Farm**  
He files his own plane, has a \$250,000 art collection in the restaurant, and owns a 2,100-acre farm near West Point, where he breeds horses and composes new sauces for the family on Sundays.

When they first were married, Gene bought a home in suburban Dobbs Ferry, and May busied herself with such things as drapes, linens and silver, in the approved manner of brides.

"But all of a sudden I realized that about the only time I ever saw Gene was between 2 and 4 o'clock in the morning, after he

got back from the restaurant and before he went to sleep," says blonde, blue-eyed, Mrs. Leone. "So we sold the house and moved into the apartment over the restaurant, and we've been here ever since."

## BUS SERVICE IS RESUMED IN HANOVER AREA

But service in the Hanover area was resumed Thursday with the service being provided by the Lincoln Bus Line. The Hanover and McSherrystown Bus Company, which had previously operated in Hanover, suspended service on August 25 on orders of the Pennsylvania Public Utility Commission.

The Lincoln Line was granted a temporary franchise by the PUC Wednesday at Harrisburg and began service at 5:50 a.m. Thursday. The company has announced a temporary schedule.

The first bus will leave the terminal on the Hanover-Baltimore highway at the Brodbeck farm each morning at 5:50 and will serve Parkville, Grangeville, Hanover, Midway, McSherrystown and Brunshtown with buses operating hourly thereafter until 11:30 p.m.

Service from Center Square, Hanover, to New Oxford, with stops at Edge Grove and Irishtown, was also resumed this morning. The schedule for this route calls for two trips in the morning and three in the afternoon, with buses leaving the square here at 6 and 6:30 a.m., 3, 4:10 and 5:10 p.m.

Officials of the Lincoln Bus Line announced that a permanent schedule is being prepared and will be announced in the next day or so. The Hanover and McSherrystown firm's franchise was suspended when it failed to renew insurance, the PUC said.

**Mercury Goes To 99 Degrees For  
Hottest Day Of Year:** A withering  
wind from the west shot the mercury  
up to 99 degrees here this afternoon  
under a bright sun and a cloudless  
sky for a season's record and one of  
the highest September readings  
taken here in a number of years.

In less than 12 hours the readings  
of the office thermometers of Dr.  
Henry Stewart, local weather ob-  
server, mounted 36 degrees from a low  
of 63 degrees during Thursday night  
and early this morning.

**Nazis Enter Poles' Capital:** Ber-  
lin, September 8 (AP). The German

**St. James Lutherans To Observe  
150th Year With Services From Oc-  
tober 1 to 8:** Announcement was  
made Sunday in the September issue  
of "The Messenger," St. James Lu-  
theran Church publication, of plans  
that are being made for the obser-  
vance from October 1 to 8, inclusive,  
of the 150th anniversary of the  
founding of the congregation.

Preparations were reported al-  
ready to be well under way for the  
celebration which is to be "the most  
outstanding week in the history of  
St. James."

As a part of the anniversary cele-  
bration it is hoped that the con-  
gregation may bring the mortgage,  
marking the completion of the build-  
ing fund which financed the re-  
building of the church after the dis-  
astrous blaze in the fall of 1928.  
About \$1,300 remains to be raised  
before the debt can be paid off.

## Today's Talk

## SUCCESS DEFINITION

There are so many definitions  
of success that it is difficult to  
pick out one that may be said to  
cover the entire territory of suc-  
cess. I came across one that seems  
to embody such a definition, how-  
ever. It was expressed by Prof.  
Alonso Stagg, the great one time  
athletic director and coach for  
Chicago University's football  
teams. Stagg said that the decisive  
factors in football were experience,  
form and the will-to-win.

That definition can cover a mul-  
titude of varieties of human en-  
deavor. There is no substitute for  
experience. In applying for a job  
one of the first, if not the first,  
question is this: "What experience  
have you had?" Then there is form.  
The way you conduct yourself in  
your job, or the task at hand. Do  
you keep trying to better your-  
self? Then there is that high es-  
sential — the will-to-win. This lat-  
ter overshadows all else. If you  
haven't this you might as well not  
attempt success, for you won't  
know how to handle it!

In your hope and dream for suc-  
cess in whatever you choose to do,  
you must recognize the fact that  
you will have to tread the straight-  
ahead road of Self Discipline. And  
bear in mind—cheerfully—that you  
will have to carry your own bag-  
gage and equipment. No one else  
will carry it for you, and you  
should not want them to anyway.

There is glory in having a definite  
goal, and pursuing it happily and  
courageously.  
Too many people think that gen-  
uine success means the accumu-  
lating of money. This is not true.  
Success is achievement. Thomas A.  
Edison could have become the  
richest man in the world by de-  
manding royalties on all his inven-  
tions, but he wasn't interested in  
making money. He only wanted to  
keep thinking out something new  
that would be useful and bless the  
whole world. And so the entire  
world will forever be in his debt.

Tomorrow Mr. Adams will talk  
on the subject: "Our Feathered  
Friends."

## GOLF WISDOM

I remember Alex Ross,  
Many years a golfing pro.  
He was never at a loss

Words of wisdom to bestow.  
He would say with twinkling eyes  
To the experts and the dubs:

"It's in you the trouble lies;  
So don't blame it on your  
clubs.

"You're the one that makes the  
shot  
And the putt that rims the cup.  
Not a club among the lot  
Does the deadly looking up.

You're the man who plays the  
game.  
You're the one your rival  
drubs;

So don't ever put the blame  
On the caddy or your clubs.

"There is not a golf club made  
That can needed skill provide;  
That, for every game that's  
played,

Only players can provide.  
When a simple shot you dub,  
Sound no alibiing walls.  
Never blame it on your club  
When it's always you that  
fails."

## MONDAY RALLY

## STARTS STATE

## GOP CAMPAIGN

HARRISBURG (AP)—The Repub-  
lican party will officially open its  
November state election campaign  
on Monday with a rally in Butler.  
Lt. Gov. Lloyd H. Wood, GOP  
choice for governor, and other  
candidates for statewide offices  
will travel by bus from Pittsburgh  
to Butler.

"When that bus starts rolling  
from Pittsburgh, it will signal the  
start of our move to victory on  
Nov. 2," said Miles Horst, GOP  
state chairman.

## Campaign Platform

The party state committee will  
meet Saturday in Pittsburgh to  
adopt the campaign platform. A  
meeting of the platform committee  
will be held in the same city  
Friday.

"Our candidates for governor and  
other statewide offices have facts,  
not the fancies prattled by the  
Democrats, and they will be pre-  
sented in plain language that all  
voters will understand," Horst de-  
clared, adding:

"And those facts, I am certain,  
will be translated into votes that  
will elect Lloyd H. Wood and the  
rest of the statewide Republican  
ticket."

## Appear At Rallies

Wood and his party will com-  
plete the first-day activities with  
a meeting Monday night in Clear-  
field. During the rest of the week,  
the group will appear at rallies  
in north, central and western coun-  
ties, including Cameron, Potter,  
McKean, Warren, Elk, Indiana,  
Bedford, Centre and Snyder.

Horst in a statement Wednesday  
described the Democratic platform  
as using "a lot of six-syllable words  
about taxes that add up to exactly  
nothing."

Referring to the Democratic  
platform pledging the party to abolish  
the state sales tax Horst said,  
"The Democrats apparently want  
to run Pennsylvania on hot air."

## "Democrats Offer Nothing"

"Instead of offering a construc-  
tive program of action, such as  
Republican administrations have  
given Pennsylvania, the Democrats  
offer a thinly disguised plan of  
nothing," he added.

The Democratic party adopted a  
27-point platform yesterday at a  
meeting of the State Committee in  
Harrisburg.

The Democrats, Horst said, "as  
usual are talking out of both sides  
of their mouth. In one breath they  
prate about reducing taxes and  
economy and in the next they talk  
about giving more money to every-  
body."

"Don't they know they can't re-  
peal the laws of addition and sub-  
traction?" asked Horst.  
"The issue isn't whether or not  
we have a sales tax; the issue is  
whether the state is going to con-  
tinue to provide adequate funds  
for public education, and you  
can't do that with campaign prom-  
ises."

"The people of Pennsylvania will  
see through this very obvious at-  
tempt to deceive them with talk  
about an equitable tax structure  
and establish a tax system based  
on the principle of ability to pay."

"Those are the words of sup-  
porters of a graduated income tax.  
This was turned down by the  
voters last year when they refused  
to call a constitutional convention  
to do that very thing."

## Income Tax

A graduated income tax, such as  
is imposed by the federal govern-  
ment, would require at least six  
years to put into effect in Penn-  
sylvania.

It would require an amendment  
to the state constitution, which  
must be approved by two sessions  
of the Legislature and then sub-  
mitted to the voters at a state-  
wide amendment.

If approved by the voters action  
by a third session of Legislature  
would be necessary to impose a  
graduated income tax.

## Claims New Record

DETROIT (AP)—Dixie Blandy, a  
51-year-old professional flagpole  
stander, slid down from his perch  
above the Michigan State Fair yester-  
day, his ankles swollen twice  
their regular size, and proudly an-  
nounced he had broken a record.

He claimed the 237 hours and 35  
minutes he stood on top the pole  
was a new world's record, break-  
ing his old one of 192 hours set  
in Milwaukee in 1952.

He was paid \$1,000 for his ef-  
forts and departed for a hospital  
to get treatment for his ankles.

Since World War II Great Brit-  
ain has built about 6,500 factories  
of 5,000 square feet or more.

## Develops "Drive-In" Service For Stork

CHADWICK, N. Y. (AP)—Dr. M.  
L. Rower says he has developed a  
"drive-in service" for delivering  
babies.

For the fourth time in recent  
years, he delivered a child Wednes-  
day in an automobile in his drive-  
way in an Utica suburb.

Mrs. Doris Olney of Chadwicks,  
and daughter Gwenn were report-  
ed doing well today at a Utica  
hospital. Dr. Rower said Mrs. Ol-  
ney was riding to the hospital with  
her husband when she announced  
she could not make it. He headed  
for the doctor's office. The baby  
— weighing 5 pounds, 12 ounces  
— arrived seconds after the car  
entered the driveway.

## IVES WILLING

## TO ENTER RACE

## NEW YORK (AP)—Sen. Irving M.

Ives said Thursday he would accept  
the Republican nomination for gov-  
ernor if the state convention names  
him as its choice to succeed retir-  
ing Gov. Thomas E. Dewey.

Ives, whose senate term has four  
years to run, has been endorsed  
by Dewey and the Republican ex-  
ecutive committee. His nomination  
at the Syracuse convention starting  
Sept. 22 is regarded as virtually  
certain.

A number of important Demo-  
cratic leaders have announced they  
will back Averell Harriman, for-  
mer mutual aid chief and once  
ambassador to Soviet Russia, for  
the governorship.

The Democratic state convention  
in New York City Sept. 21-22 may  
face a floor fight, however, be-  
cause some elements of the party  
still are strong for Rep. Franklin  
D. Roosevelt Jr., son of the late  
President.

## Indians' Lead Ought To Be Safe; Beat A's In 11th While Baltimore Edges Yankees 1-0

By BEN PHLEGAR

**Associated Press Sports Writer**  
The time has come to start measuring the flag pole in the Cleveland Municipal Stadium for the 1954 American League pennant.

It may be a few days too soon to enlarge the press box for the world series, or begin printing programs. But with a 5½ game lead and only 14 games left the Indians certainly are justified in showing some signs of optimism.

Among other things, history is on their side. No American League team ever blew so large a lead this late in the season. Much bigger margins have been shaved, but never erased completely.

**Orioles Beat Yankees**  
Collapses in the National League are a different matter. Brooklyn in 1951, Pittsburgh in 1938 and New York in 1934 are the most recent examples. It was the Pirates who built a press box that went unused. The '34 Giants lost six of their last seven games and were passed by St. Louis after leading by 7½ lengths on Labor Day.

But in the American League a 5½-game margin in mid-September has been like money in the bank.

The Indians saw the folding green stuff come closer yesterday with a 5-4 "Grit" victory over Philadelphia with the second-place New York Yankees bowed 1-0 to Baltimore, on Joe Coleman's brilliant one-hitter.

**Magic Number Is 10**  
The magic number for the Indians now is 10. Any combination of 10 Cleveland victories and Yankee defeats will clinch the pennant. The earliest possible date is Tuesday.

While the Indians were tidying up their affairs in the American League the New York Giants wasted a chance to gain a more comfortable lead in the National. The Giants broke even in a doubleheader with the seventh-place Chicago Cubs and were lucky to get the split. It took two late rallies climaxed by a squeeze bunt with two out and the bases loaded in the ninth by Hank Thompson to pull out the first game 7-6. They never had a chance in the second game, getting only five hits while losing 3-0. Clyde McCullough drove in two of the runs, one with a homer.

**Brooklyn Ends Slump**  
The runner-up Milwaukee Braves were scheduled. They trail New York by four games and have 18 left. The Giants have 16 to play and Brooklyn, 5½ behind, has 15. It will take a combination of 14 New York victories and Milwaukee defeats for the Giants to clinch the flag.

Brooklyn came out of a prolonged slump with a 10-1 victory over St. Louis yesterday in the only other National League action. Washington beat Chicago 2-0 and Boston defeated Detroit 8-0 in the American.

**100th Tribe Victory**  
The winning Cleveland run scored in the 11th inning against the Athletics when Ed Burtch walked Hal Naragon with the bases loaded. Cleveland had come from behind with two runs in the eighth and one in the ninth to send the game into extra innings.

The victory was No. 100 for Cleveland, the most won by any American League team since the 1946 Red Sox.

Coleman's bid for a no-hitter over the Yankees was ruined by a bad bounce single by Enos Slaughter in the eighth inning. The ball was hit to second baseman Bobby Young but it bounced high over his head just when he went to field it. Nobody else came close to getting a hit off the 32-year-old right-hander.

**90-Minute Game**  
The Chicago-Washington game was the fastest of the season, lasting only 90 minutes. Each team got only three hits but two of the Washington blows off Harry Dorish were home runs, by Roy Sievers and Jim Lemon. Chuck Stobbs was the winner.

Boston's victory over Detroit was another well-pitched game as Willard Nixon scattered four singles. Ted Williams, at bat four times, was held hitless for the second straight game.

**PHILADELPHIA** — Does Franklin University sound more "Ivy League" than the University of Pennsylvania?

The poll follows a suggestion by alumnus Alexander D. Chiquoine Jr., of Scarsdale, N. Y., suggesting

## Sports Roundup

By GAYLE TALBOT

**NEW YORK** — All week people have been asking "how about our Davis Cup chances now?" And all week we've been trying to think up a good, resolute answer based on what happened in the National Tennis Championships at Forest Hills.

It isn't too easy, because nothing has changed, really, since our side took it on the chin again in Melbourne last winter. The only difference we can foresee for sure is that the bloodletting will be back at Sydney this December.

There is little question that our lads will sail through Sweden in the inter-zone final at Brisbane. There is equally little doubt that the lineups in the challenge round singles will be precisely the same as they were eight months ago—Vic Seixas and Tony Trabert for the United States, Lewis Hoad and Ken Rosewall for the Australians.

We lost the last one, 3 matches to 2, because Vic Seixas, our new national champion, could not defeat either of the Aussie kids in the showdown. Trabert gave us our lone singles victory at the expense of Rosewall. He and Seixas trounced a pick-up Aussie doubles combination of Hoad and Rex Hartwig, a near-fatal brainstorm that the holders of the big mug will not repeat.

Should not our prospects be much brighter now that Seixas has proved himself capable of winning the national title while neither Hoad nor Rosewall could even reach the finals last Monday? Not necessarily. Last year we dispatched both the American champion, Trabert, and the Wimbledon king, Seixas, and they didn't bring back anything but a grouch at the Australian fans.

It is strange, but true, that neither of the Aussie wonder boys yet has a major grass court title to his name, not even that of his own country. The present Australian champ is a left-hander named Mervyn Rose, who will not even be considered for Davis Cup play. You see why it is necessary to grope about when doing a job of tennis experting these days.

The truth is that there isn't an outstanding amateur player in the world today, not one yet ready to step into the shoes of Frank Sedgman, who turned pro nearly two years ago. If there is a future Jack Kramer around, he's still with the juniors somewhere. The fact that Seixas, playing in his 14th national, was able finally to win at Forest Hills gives a true picture of the situation.

Neither Trabert, the No. 1 ranking American, nor Hoad, his Aussie counterpart, even reached the semifinals.

## PEN-MAR LOOP PLAYOFFS WILL START SUNDAY

New Oxford and Emmitsburg will meet Saturday at 2:30 p.m. on the Fairfield baseball field in a game to determine which will occupy the fourth-place spot in the Shaugnessy playoffs of the Pen-Mar Baseball League.

Dr. D. Luther Beagle, Emmitsburg, league president, announced the decision after a meeting of league officials Thursday evening at the Elk Home here. New Oxford and Emmitsburg each won 11 games during the regular season while the former team failed to get in a playoff of a postponed game.

It was also announced that in the event of rain Saturday, the game will be played Sunday at 1:30 p.m. with the winner then meeting Fairfield immediately afterwards to open a semi-final series.

Fairfield finished in second place, one-game ahead of Blue Ridge Summit.

Cashtown will play at Blue Ridge Sunday to open the other semi-final series.

Both of the semi-finals will be best-of-three affairs, with a similar title series between the winners.

## GIRL, 16, SWIMS LAKE ONTARIO IN 21 HOURS

**TORONTO** — Marilyn Bell, a golden-haired girl of 16 captured the hearts of Canadians yesterday by swimming 32 miles across icy Lake Ontario—the first time anyone accomplished it.

The charming, freckled-faced blonde who will go into fourth form high school next week, spent 20 hours and 56 minutes in the water.

She came ashore here at 8:13 p.m., said she felt "terrific" and went to bed, tucking under the pillow a white bathing cap with its four-leaf clover inside, symbol of her amazing determination.

The white cap bobbing on the lake was the only visible evidence during a long day of her fight against cold and high waves, sometimes as high as six feet, on her way from Youngstown, N. Y., to Toronto.

**250,000 Scream Delight**  
Not since its famed marathon swims of the 1920's and 30's had Toronto's waterfront witnessed anything like the exultation of last night. About 250,000 persons, a great many of them crowded around the Canadian National Exhibition shoreline and spreading out to the finish point a half-mile away, screamed their delight at the local girl's victory over the cold and two noted English channel conquerors, Florence Chadwick and Winnie Roach Leuzler.

The scene was a bedlam as the 5-foot-1, 119-pound girl with the boyish bob and infectious grin surged to a breakwater near shore in a blare of cheers, water craft whistles and the boom of exploding fireworks.

Prizes showered on her. In real money, they amounted to more than \$10,000; in prospects, they promised \$50,000.

## Paul Richards May Take Oriole Post

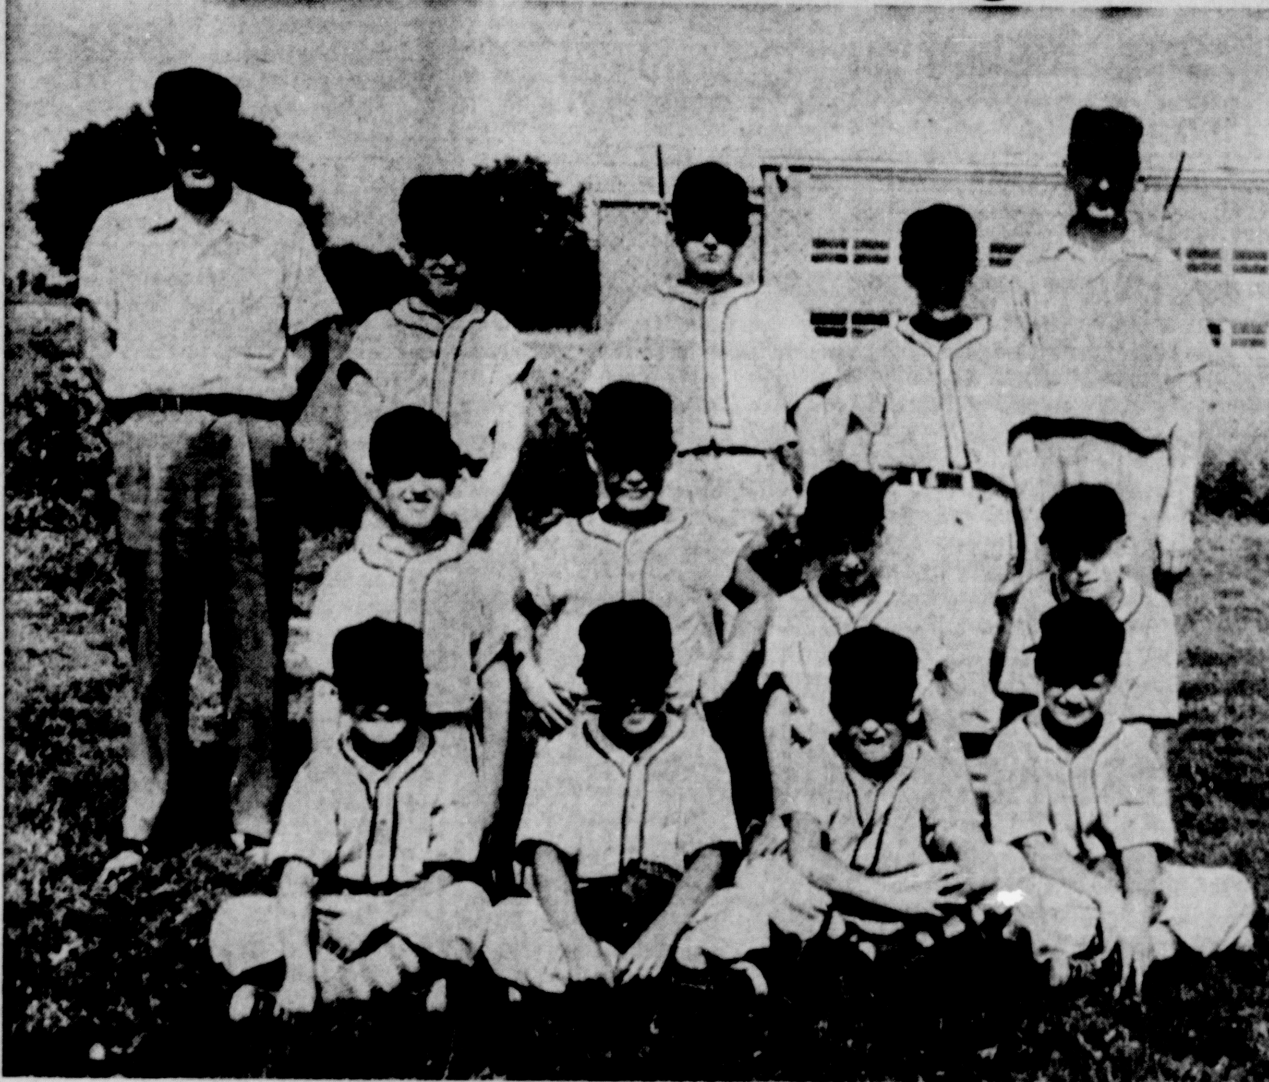

**CHICAGO** — Paul Richards, manager of the Chicago White Sox, today may reveal his future baseball plans.

Rumors that have been kicking around for three weeks reached a climax last night when Baltimore newsmen all but had Richards packed and waiting for a train to take him to the Orioles.

Baltimore reports insisted the taciturn Texan would accept a 3-year contract as general manager and field manager of the Orioles. A salary mentioned was \$80,000.

It is believed Richards would be happy with a 3-year pact with the Orioles and will dicker with them on this basis in a meeting scheduled for today.

## Giants Of Littlestown League

Third row, Bittle Jones, coach, James Kroh (10), Richard Mackley (11), Richard Hornberger (9) and Edward Leister, coach.

## Eastern League

The Reading Indians, who won the 1953 Eastern League pennant but finished fourth this year, have whipped Elmira twice in the Governor's Cup semi-finals.

The Indians, who lost out to Binghamton in the 1953 playoff competition, defeated the second-place Pioneers, 10-6, last night while Albany was knotting its semi-final round at Wilkes-Barre with a convincing 5-1 triumph.

The best-of-seven semi-finals now shift to Albany and Reading for games Friday and Saturday.

## SCHOOL ENROLLMENT

Student enrollment in the elementary schools of Emmitsburg Wednesday showed a marked increase over last year. There were 262 enrolled compared to 239 in 1953. A drop in the high school attendance was reported. A total of 170 attended Wednesday while in 1953 there were 186.

## S. P. BASEBALL LOOP PLAYOFFS START SUNDAY

A flip of a coin was used at a meeting of the South Penn Baseball League Thursday evening at the American Legion Home to establish Taneytown as the second-place team and Wexville as the third-place team for participation in the Shaugnessy playoffs which will open Sunday afternoon.

The teams had finished the regular season in a tie for second place with identical records of 14-7. As a result of the action, Wexville will play at Mummaburg while Greenmount will be at Taneytown for the opening of the best-of-three semi-finals Sunday.

**Awards Planned**  
It was decided a large trophy and pennant will be awarded Mummaburg, the regular season champions. A trophy will also be awarded the playoff titlists.

## Shippensburg Teachers Expect Good Team Despite Loss Of Six Starters; Last Year For Coach

SHIPPENSBURG, Pa. — Coach Vint Rambo is faced with the loss of six starters this fall as he strives to make his last season at Shippensburg Teachers a third consecutive unbeaten one on the gridiron.

One of the six gone from the club that has run up 17 consecutive victories—top undefeated and untied streak in the state—is Tiny Adams, the 240-pound guard who was given a first string berth on the 1953 Associated Press Little All-America squad.

The white-haired Rambo, with a

record of 38 won, 15 lost and 3 tied in seven years as head Raider coach, has announced his retirement effective at the end of the 1954 campaign. He will be succeeded by one of his own pupils, Jack Roddick, who coached at Swatara Twp. High.

**Good Replacements**  
"We have excellent letterman replacements for the six boys who aren't returning," Rambo said, "but I wonder if we can get them into top form for the opening game."

The Raiders open an eight-game slate against schools from four states on Saturday night, Sept. 25, at Lock Haven.

Also lost via the diploma route were center George Cherry, a 195-pound all-conference choice; tackle Chuck Burnheimer, all-conference and co-captain; end Ron Finkenbinder, leading receiver of touchdown passes; and Ray Ellis, all-conference full back.

Roy Claypool, quarterback who carried out vital blocking assignments in Rambo's single wing system, entered the Army this summer.

Despite these losses the list of lettermen returning indicates that the raiders will present a team to be reckoned with.

Joe Persipenko, 190 pounds, from Williamstown, played enough behind Cherry to letter at center a year ago. Four bulky guards, two who lettered several years back before entering the service, are in camp.

Four tackles return as lettermen including Chet Dillon, a regular from 1953. Gunning for Burnheimer's job will be Mike Piccillo, 200 pounds, from Hackensack, N. J.; Jim Jackson of Altoona; and Dick Eigenbrode of Waynesboro, each 195 pounds.

Only two lettermen are after Finkenbinder's job at end. Ed Nugent of Philadelphia returns as a monogram wearer at one end. George Shumate, 180 pounds, of Aliquippa, is bidding for a starting position while Ralph Dinterman of Waynesboro, 175 pounds, has been moved to end from guard where he lettered a year ago.

Jimmy Miller, a Belle Vernon 178-pounder who reeled off several long runs as Ellis' understudy at fullback a year ago, is on hand to take over.

Don Stankus, a 175-pound Scotland boy, and Cecil Trueblood, 160 pounds, Hollidaysburg, are two lettermen with plenty of quarterback experience.

Halfbacks are the only positions where Rambo didn't suffer any losses. The stable includes 170-pound Eddie Moore of Philadelphia; 170-pound and all-conference Spencer Keyes of Atlantic Highlands, N. J.; Jim Bowling, 160 pounds, of Waynesboro; and Johnny di Esposti, 165 pounds of Harrisburg. All four are lettermen.

## LT. GOV. GRIFFIN HEADS TICKET FOR GOVERNOR

ATLANTA (AP)—Lt. Gov. Marvin Griffin, the self-styled "white people's candidate", was swept to an apparently overwhelming victory in Wednesday's Democratic primary for the nomination as governor of Georgia.

Running with the blessing of Gov. Herman Talmadge whose white supremacy championship he is pledged to continue, Griffin piled up a huge lead for all-important county unit votes—allotted to the counties on the basis of two units for each seat in the House of Representatives.

Former Gov. M. E. Thompson, who twice unsuccessfully opposed Talmadge, was far back in second place, still clinging to a fading hope that later returns might pull him into a runoff.

**Has Wide Margin**

But on the basis of latest returns, from 1,197 of 1,809 precincts in 148 of 159 counties, Griffin had an apparently insurmountable total of 149,814 popular votes which gave him the lead in counties with 270 of the state's 410 county unit votes. Only 206 unit votes are required for nomination.

Thompson had 100,564 and the lead for 64 unit votes.

Behind the leaders were Fred Hand, speaker of the House of Representatives with 56,218 and 22; State Agriculture Commissioner Tom Linder with 44,417 and 24; and State Rep. Charles Gowen with 4,564 and 4.

The other four candidates in the field of nine for the nomination, which virtually assures election in this one-party state, had fewer than 10,000 votes among them.

**Don Wheeler Beaten**

Rep. Don Wheeler of the 8th Congressional District in southeast Georgia, apparently was ousted by Mrs. Iris Blitch, state senator from Homerville and national Democratic committeewoman. Rep. James C. Charles Duffy III, Sunbury, was re-elected secretary-treasurer. Paul J. McNamara, Philadelphia, was elected a director.

Re-elected directors were: Francis H. Mills, Reading; and Edmund L. Flynn, Bedford.

## 3 KILLED IN FREAK CRASH

HUNTINGTON STATION, N. Y. (AP)—Three men were killed Wednesday night in a freak two-car crash. Dead were Albert Levin, 48, of Cedar Grove, N.J.; Ralph H. Aubey, 48, of Medford; and James H. McLean, about 67, of Medford Station.

Huntington town police said the car driven by Aubey, going east on Jericho Turnpike, was braked for some unexplained reason at a point near Melville road.

Behind Aubey's car was a truck driven by John N. Shea, 24, of Deer Park, N.Y. Shea applied his brakes, too, and cut to the left but his truck went into a skid, and its rear end collided with Aubey's car, wrecking it.

Aubey and McLean were dead when help arrived, and Levin died on the way to a hospital.

Police said they understood Levin was a relative of one of the other two men in the car.

## YOUNG BUTCHER KILLS WIFE WITH BONING KNIFE

PHILADELPHIA (AP)—A young butcher, using one of the tools of his trade, Thursday stabbed his wife to death in her bed, tried to throttle a sister-in-law and fled amidst her screams, police said.

Authorities hunting 25-year-old Robert Taylor, who got away in a car, said they had found no reason for the outbreak of bloody violence which started about 1:15 a.m. in the Taylor's bedroom. The Taylors' two-year-old daughter, Donna, slept in a small adjoining room. Police teletyped a warning to authorities in adjoining states, and asked for a close watch at Buffalo, N.Y., where Taylor has relatives.

By police account, Mrs. Sylvia Taylor, 27, was stabbed through the heart by her husband in their basement apartment in the Oak Lane section of North Philadelphia. Taylor then stole up to the first floor and into the bedroom of his sister-in-law, Miss Ethel Erick, 20. He tried to strangle her as she slept and beat her over the head with a flashlight when she awoke and screamed. Then he ran from the house and drove away.

Miss Erick was alone in the upper part of the house. The rest of the family being in Atlantic City. The Taylors had occupied the basement apartment since their marriage four years ago.

Taylor, presumably using a boning knife found on the kitchen table, slew his wife with a single thrust into the heart, police said.

Police said Mrs. Taylor lay face downward on the bed, her naked body covered with a sheet. They said Taylor may have turned her over and covered her after the slaying.

Relatives said they knew of no trouble between the Taylors.

You don't have to stick to "periods" when you are furnishing a room. Ever notice how well a modern painting looks over a Victorian love seat or marble-topped table? Or how attractive an ornate Victorian lamp looks when it has a simple modern shade?

## N. J. LEGISLATURE MEETS SEPT. 17

TRETON, N.J. (AP)—Gov. Robert B. Meyner said Thursday he plans to convene the New Jersey Legislature Friday, Sept. 17.

The governor told a news conference he is sending the lawmakers this telegram.

# A Ride Is an Education!

There has never before been a time—since the beginning of the automotive industry—when you could learn as much about motor car performance in a single hour as you can today!

All you need do is slide behind the wheel of a new 1954 Cadillac—and head for the open highway.

That great Cadillac engine introduces you to a new measure of power and performance. It takes even the most challenging hills in easy stride—and sweeps you out of a difficult traffic situation with only the slightest pressure on the accelerator.

Cadillac's improved Hydra-Matic Drive is unbelievably responsive and silken and smooth—and takes you from a standing start to your desired rate of speed in one continuous flow of power.

You guide the car with only a feather-light touch on the wheel. It seems almost to follow the weight of your hand around the corners—and it takes you over the winding highway as if it were reading your mind.

Vision is so wide and clear that a single, sweeping glance acquaints you with traffic on every hand. Braking is unbelievably sure and easy. And you ride in such comfort and quiet that you seem to be resting in your favorite easy chair.

Yes, it's an education to take the wheel of a 1954 Cadillac—an education in all the good and wonderful things of motordom.

So stop in any time—slip into the driver's seat—and head for your favorite stretch of highway. You're in for the greatest surprise of your motoring life!

## First "Good Will Days" Awards Given Tonight In Littlestown As 40 Merchants Participate

The first week of Littlestown's "Good Will Days," sponsored by the Chamber of Commerce, will close with the gift certificate drawing this evening at 8 o'clock in front of the Record Shop, 8-Queen St. Gift certificates totaling \$80, redeemable in merchandise, will be awarded at the drawing.

Forty Littlestown merchants are participating in the program, which will continue weekly. Customers at the participating stores receive coupons with each purchase, deposit half the coupon at the store and retain the other half. Every Friday evening prior to the 8 p.m. drawing, coupons are collected from the stores and placed in the community container. After the drawing old coupons are discarded, so that only coupons representing purchases during the week of the drawing offer patrons an opportunity of participation.

Holders of the lucky coupons must attend the drawing and present their half of the winning coupon. Each Friday, \$80 in merchandise certificates will be given, with certificates chosen from 4 of the forty participating merchants, worth \$20 each at the store from

which they are issued, offered at each drawing.

Placards are being displayed in the windows of each of the Littlestown business houses participating in "Good Will Days." On Friday nights there will be free parking in Littlestown after 6 o'clock.

## CORONER'S JURY

(Continued from Page 1)

wife when the crash occurred, was injured when he swerved his vehicle off the road and upset to avoid hitting Hankey.

Hankey, who testified voluntarily, said he did not see either of the motorcycles or an approaching car when he attempted the left turn. He could not explain why he failed to see them on the long straight stretch ahead. He said he did not see Mrs. Rorrer until the crash.

First witness called by Dr. C. G. Crist, Adams County coroner, who conducted the inquest in the court room, was Ira Williams, photographer for the coroner's office, who showed three photos he had made at the scene a short time after the crash.

Said: "Look Out, Sister"

He was followed on the stand by Lester Ziegler, Menges Mill, who said the two cycles passed him 400 or 500 feet from the scene of the crash. He was driving 50 miles an hour and as they passed "I said 'look out, sister,' because I thought something was going to happen."

He testified he saw the blinker operating on Hankey's car and said Hankey nearly came to a stop before he began the turn across the road. He did not see Mrs. Rorrer brake but her husband's cycle made black marks on the road, Ziegler said.

Mr. and Mrs. Francis Murren, Hanover R. 4, told the jury the Rorrers had passed them just west of Brushtown, headed west. They estimated their own speed at 40 to 45 miles an hour but said the cycles were "not exceeding the speed limit," and apparently being carefully driven then.

Rorrer testified his wife had been driving a car for years but had started operating a motorcycle only in March. He estimated their speed at 45 miles an hour by his own speedometer. Rorrer said he did not see Hankey's car stop before turning.

Hankey, who said he had just returned from a 4,000-mile trip to Wyoming and has been driving a car since 1937, told the jury his car stopped almost immediately after the collision.

### Two Women On Jury

Pvt. John Marly of the state police, who investigated, said statements given him by Thursday's witnesses correspond with their testimony. He said Rorrer's skid marks measured 110 feet and added that the cycle had continued for 43 feet off the hard-surfaced section and then slid on its side for 26 feet. Rorrer was hospitalized for several days.

Members of the jury were Mrs. Blanche Musselman, Miss Jean Musselman, Walter Reynolds, Hugh H. Craig, Frank Mumper and Hugh C. McIlhenny.

Witnesses were questioned by Dr. Crist; by Attorneys Eugene Hartman and S. M. Raffensperger, representing Mr. Hankey, and by Attorney John MacPhail who represented Mr. Rorrer.

## Death Toll In Earthquake In Algeria More Than 1,000

By GEORGE A. MCARTHUR  
ALGIERS, Algeria (U)—The earth still trembled at Orleansville today, more than 24 hours after the disastrous earthquake that wreaked a death toll estimated at more than 1,000 Europeans and Algerians.

Another 2,000 were believed hurt. Shocks less violent than the first were felt five times last night and this morning. One lasted several seconds, bringing down unsteady houses and great pieces of shattered walls. Blasted buildings in the heart of the town were crumbling into the streets.

There were 2,000 rescue workers and as many more troops, on the spot about 100 miles west of Algiers. The French army, which rushed all available troops and ambulances to the area, also sent four bulldozers and eight big water tanks, along with eight tons of bread and other food, 50 field kitchens and 35 cooks to man them. The mayor of the city was quoted as saying:

### Put People In Tents

"We've had to evacuate 95 per cent of the houses, but we won't evacuate the town. We're going to put everybody into tents."

Rescue teams returning here said identification of European victims was proceeding rapidly but they were having more difficulty with the Moslem dead.

Casualty estimates were made more difficult by the fact many Moslems were burying their own dead without sending in any report.

The French interior ministry said last night 590 deaths have been confirmed officially, but most of them appeared to be European residents of the area. They said an accurate accounting of the quake toll will take many days.

With railways cut and many highways impassable, aid was flown in from Algiers and Oran.

Restore Some Communications  
Some surface communications had been restored today, but most telephone lines were still out.

## 993 Enrolled In Jt. School System

Enrollment by grades is as follows: Twelfth, 48; Eleventh, 54; Tenth, 56; Ninth, 76; Eighth, 84; Seventh, 83; Sixth, 76; Fifth, 91; Fourth, 86; Third, 89; Second, 137 and First grade, 113.

The parochial school has a total enrollment of 136 pupils. There are 65 boys enrolled and 71 girls. The number of students in each grade follow: Eighth, 13; seventh, 12; sixth, 17; fifth, 15; fourth, 10; third, 19; second, 21 and first grade, 29.

Adding eggs to a yeast bread helps produce a fine and delicate texture and, like sugar, they encourage a golden-brown crust. Sometimes, before baking yeast rolls, try brushing their surface with a beaten-egg mixture; this gives them a shiny golden sheen.

spectacle. Men, women and children were dashing by, half dressed or covered with sheets, all rushing to the open squares or vacant lots."

### CHRISTIAN CITIZENSHIP AND COOPERATION Romans 13:1-10; I Corinthians 3:4-9

Key Verse: Love does no wrong to a neighbor; therefore love is the fulfilling of the law. Romans 13:10

In Chapter 13 of his letter to the Romans Paul made statements which are difficult to interpret. Does he advise a Christian to be continuously obedient to a ruler who is personally wicked, and who is tyrannical? It is not easy to believe that such was the mind and belief of Paul. In his letters and addresses he condemned evil wherever he found it. He claimed the right to pass judgment when wrongdoing raised its head. He reminds one of the fiery Old Testament prophets. Modern preachers do

well to imitate him; churches must not be altogether silent in the presence of corruption in high places. When it is a question of obeying God or men Paul would no doubt say as did Peter and his companions, "We must obey God rather than man."

It would be helpful to know why Paul wrote that 13th chapter. There were many Christians in Rome. Some of them were Paul's converts. It is possible that some ardent converts thought accepting Christ as Lord and Saviour was sufficient. Why have another king-Caesar? Such needed to be told that it was quite proper to have a ruler of temporary affairs. Then, too, Paul wrote his letter before the terrible persecutions broke out. Citizenship in the Roman Em-

pire was something to be proud of. Paul valued it and Roman Law was held in high esteem. Perhaps Paul was thinking of Rome at its very best when he wrote to his Christian friends and charged them to be obedient to the government and cooperate with it. And that meant paying taxes. Christians as well as non-Christians were protected by an orderly and lawful government. At least so Paul believed it to be. So his advice was obedience and support. That is, the Christian should do this in so far as he can with a good conscience. A corrupt ruler has frequently made it impossible for Christians to remain loyal to him. The alternative was a martyr's death which millions have suffered through the ages.

The lesson assigned for our study includes first the duty of the Christian as a citizen; and in the second place all his relationships with his fellowmen. As a citizen he acts from a sense of duty; as a neighbor from a sense of love. "Love is the fulfilling of the law"

says Paul, and further, "He who loves his neighbor has fulfilled the law." The Apostle

## DR. LINDSTROM MARRIES AGAIN IN PITTSBURGH

PITTSBURGH (AP) — Dr. Peter Lindstrom, ex-husband of actress Ingrid Bergman, is honeymooning today with his second wife, Dr. Agnes J. Rovnanek.

The 48-year-old neurosurgeon and his 26-year-old bride were married last night by Bishop Austin Pardue of the Pittsburgh Episcopal Diocese, only two hours after securing their license. The usual three-day waiting period was waived.

Dr. Rovnanek, a native of Czechoslovakia, is in her second year as a resident pediatrician at Children's Hospital. Dr. Lindstrom has been chief of neurosurgery at the Veterans Administration Hospital in suburban Aspinwall.

Only a few close friends attended

## Arrest Woman Thru Clerk's Alertness

CHESTER, Pa. (AP) — An alert postal clerk recognized a woman in a restaurant yesterday and led to her arrest on charges of forging postal money orders in excess of \$10,000.

U. S. Commissioner Henry Carr ordered Regina Farrell, 25, of Chester, committed to Moyamensing Prison in default of \$5,000 bail. George H. Sadler, post office inspector in charge of the Philadelphia office, said Miss Farrell admitted changing the amounts of 130 money orders purchased at the Chester Post Office during the past year.

Sadler said Miss Farrell was apprehended after Raymond Duda, 30, a Chester postal clerk, recognized her in a restaurant and followed her to her home. Duda then notified authorities.

the wedding at the Church of the Redeemer. Among those present was 15-year-old Jenny Ann Lindstrom, daughter of Dr. Lindstrom and Miss Bergman.

After the wedding, Bishop Pardue commented: "The marriage was long planned and very well thought out. Dr. Lindstrom and his bride conferred with me for many weeks. They are deserving of a very happy marriage."

r. Lindstrom divorced Miss Bergman in 1949 after her highly publicized romance with Italian film director Roberto Rossellini, whom she subsequently married.

## NAUTILUS TO JOIN FLEET

WASHINGTON (AP) — The Nautilus, first atomic powered submarine, will become a member of the fleet Sept. 30.

Formal commissioning ceremonies will be held then at Groton, Conn., where she has been building since 1952.

The Navy, announcing the commissioning date, said the Nautilus will begin her tests after the final equipment has been installed following the commissioning. This, it is understood, probably will be during the latter half of October.

Skipper of the huge, nuclear-engineered submersible—the first of four either building or planned—will be Cmdr. Eugene P. Wilkinson, of San Diego, Calif. Lt. Dean L. Axene will be executive officer.

The Navy said that "most of the crew of 11 officers and approximately 85 enlisted men have been in training for about three years for their unique assignment of operating the Nautilus." This training has included basic nuclear physics and actual operation of the landbased prototype of the nuclear power plant at Arco, Idaho.

## AP STORES CUT COFFEE PRICES

Price reductions up to 10 cents a pound in its own brands of coffee were announced Thursday by the A & P Food Stores.

The slashes, second within three weeks, brought Eight O'Clock coffee, A & P's biggest seller, to 99 cents a pound. The company said this was the first time in recent months that the green coffee market permitted the sale of a top quality coffee at less than \$1.00 per pound.

"Despite the fact that coffee prices have been admittedly high, and that recent cuts have been made in some of the so-called 'private brands,' we have refused to lower the quality of our coffee in order to achieve lower prices," a company spokesman said. "Now, for the first time in recent months, the cost to us of coffee on hand and the market price of green coffee permit us to offer our most popular brand at less than \$1 per pound."

At the same time, A & P re-established different prices for each of its three blends. This customary practice had been abandoned three months ago, when the traditional cost difference between green Brazilian and Colombian coffees vanished.

design appears to be waves, anchors, and fish, all thrown together.

Farm economy is the theme of the exhibits of the Future Farmers of America, entered by the chapters at the county high schools.

Gettysburg High chapter presents a poster demonstration of the desirability of hybrid corn. The James Buchanan High display contained three live laying hens in a cage full of baby chicks. The Chambersburg FFA went them one better, exhibiting two live baby pigs. There is also a Home-makers' display, showing rugs and knitted garments.

The most bizarre entry is a voodoo mask in cardboard and water color, ugly enough to scare away any evil spirits. Other unusual entries are a "toothpick sculpture" tower and a "wire sculpture" animal.

mal. Most of the exhibits are crayon drawings of both commonplace and imaginative objects. Several students drew portraits from photographs. Eleventh-grader Marilyn Shank won a first prize for one of these. There were several pictures of Lincoln, and one of President Eisenhower, by George Costella, of Lower Adams Jointure. Robert Carbaugh, of Franklin township, won a prize for a three-foot model of a grandfather's clock, in wood and cardboard. On the more imaginative side, a York Springs first grader, won a blue ribbon for a crayon drawing entitled, "Santa and Rudolph the Reindeer Come to My House." There are several pictures of the old covered bridge, which formerly stood on the New Oxford-New Chester road. The series is entitled, "Gone, But Not Forgotten." So, whatever your artistic tastes, something in the school art exhibit should appeal to you.

Uncle Sam is  
no magician

HE CAN'T PULL a rabbit out of his hat, nor can he produce special benefits for you or anyone else out of thin air. Every benefit must be paid for out of Uncle Sam's Treasury.

Sometimes people talk about Uncle Sam's Treasury as if it were an endless source of money provided by someone else. Actually, of course, every cent that flows from Uncle Sam's coffers eventually comes out of the pockets of all our citizens in the form of income taxes, excise taxes, and hidden taxes levied on the clothes we wear, the food we eat, and our houses.

No single economic group can provide enough money to foot the bill. For instance, if Uncle Sam were to tax away all income of individuals making over \$10,000 a year, the amount collected would pay the cost of government in 1954 for only two weeks. Therefore the burden of taxes must fall on everyone. So, remember: It's your money that will be spent.

If you really want to lower taxes, don't ask Uncle Sam for special benefits, as if they came out of a magician's hat.

Why not make provision yourself for the benefits and advantages you want? Open a bank account with us soon, and build your balance every payday with regular deposits.
